"I'll see to it that your new home is well built!"

MIKE ROBERTS, Manager, Tampa, Florida.

4-bedroom COLUMBIA

Property owners... Here, at last, is a building plan to suit your needs... No matter how much or how little you want to pay... Let me explain...

This is Mike Roberts, Manager, Tampa, Florida. But it could be any representative of Jim Walter Homes, anywhere. Our business is building for you ... on your property ... no matter where it's located. Our managers are trained to work with you ... to work FOR you. He'll "live with" your new home from start to finish ... or at least as much of the finish as we are going to do. And this brings about the other subject ... of how much or how little you want to pay. Listen to this.

Frankly, we know of no other builder who will build exactly as we do. We'll offer you a selection of over 20 models and we handle our own financing. What does this mean to you? It means we can build your new home to almost any stage of inside completion. After completing the outside you decide how much more we can do for you ... how much of the inside you want us to finish. We'll do just about as much ... or as little ... as you tell us to. Then you handle the rest ... to save money. Do it yourself ... or have it done ... now or later on ... as you can, when you can. If you like, we'll even supply the materials you'll use and add the cost to your mortgage. It's that easy. COMPLETE DETAILS WILL COST YOU NOTHING. So let's get together and talk about building your new home.
